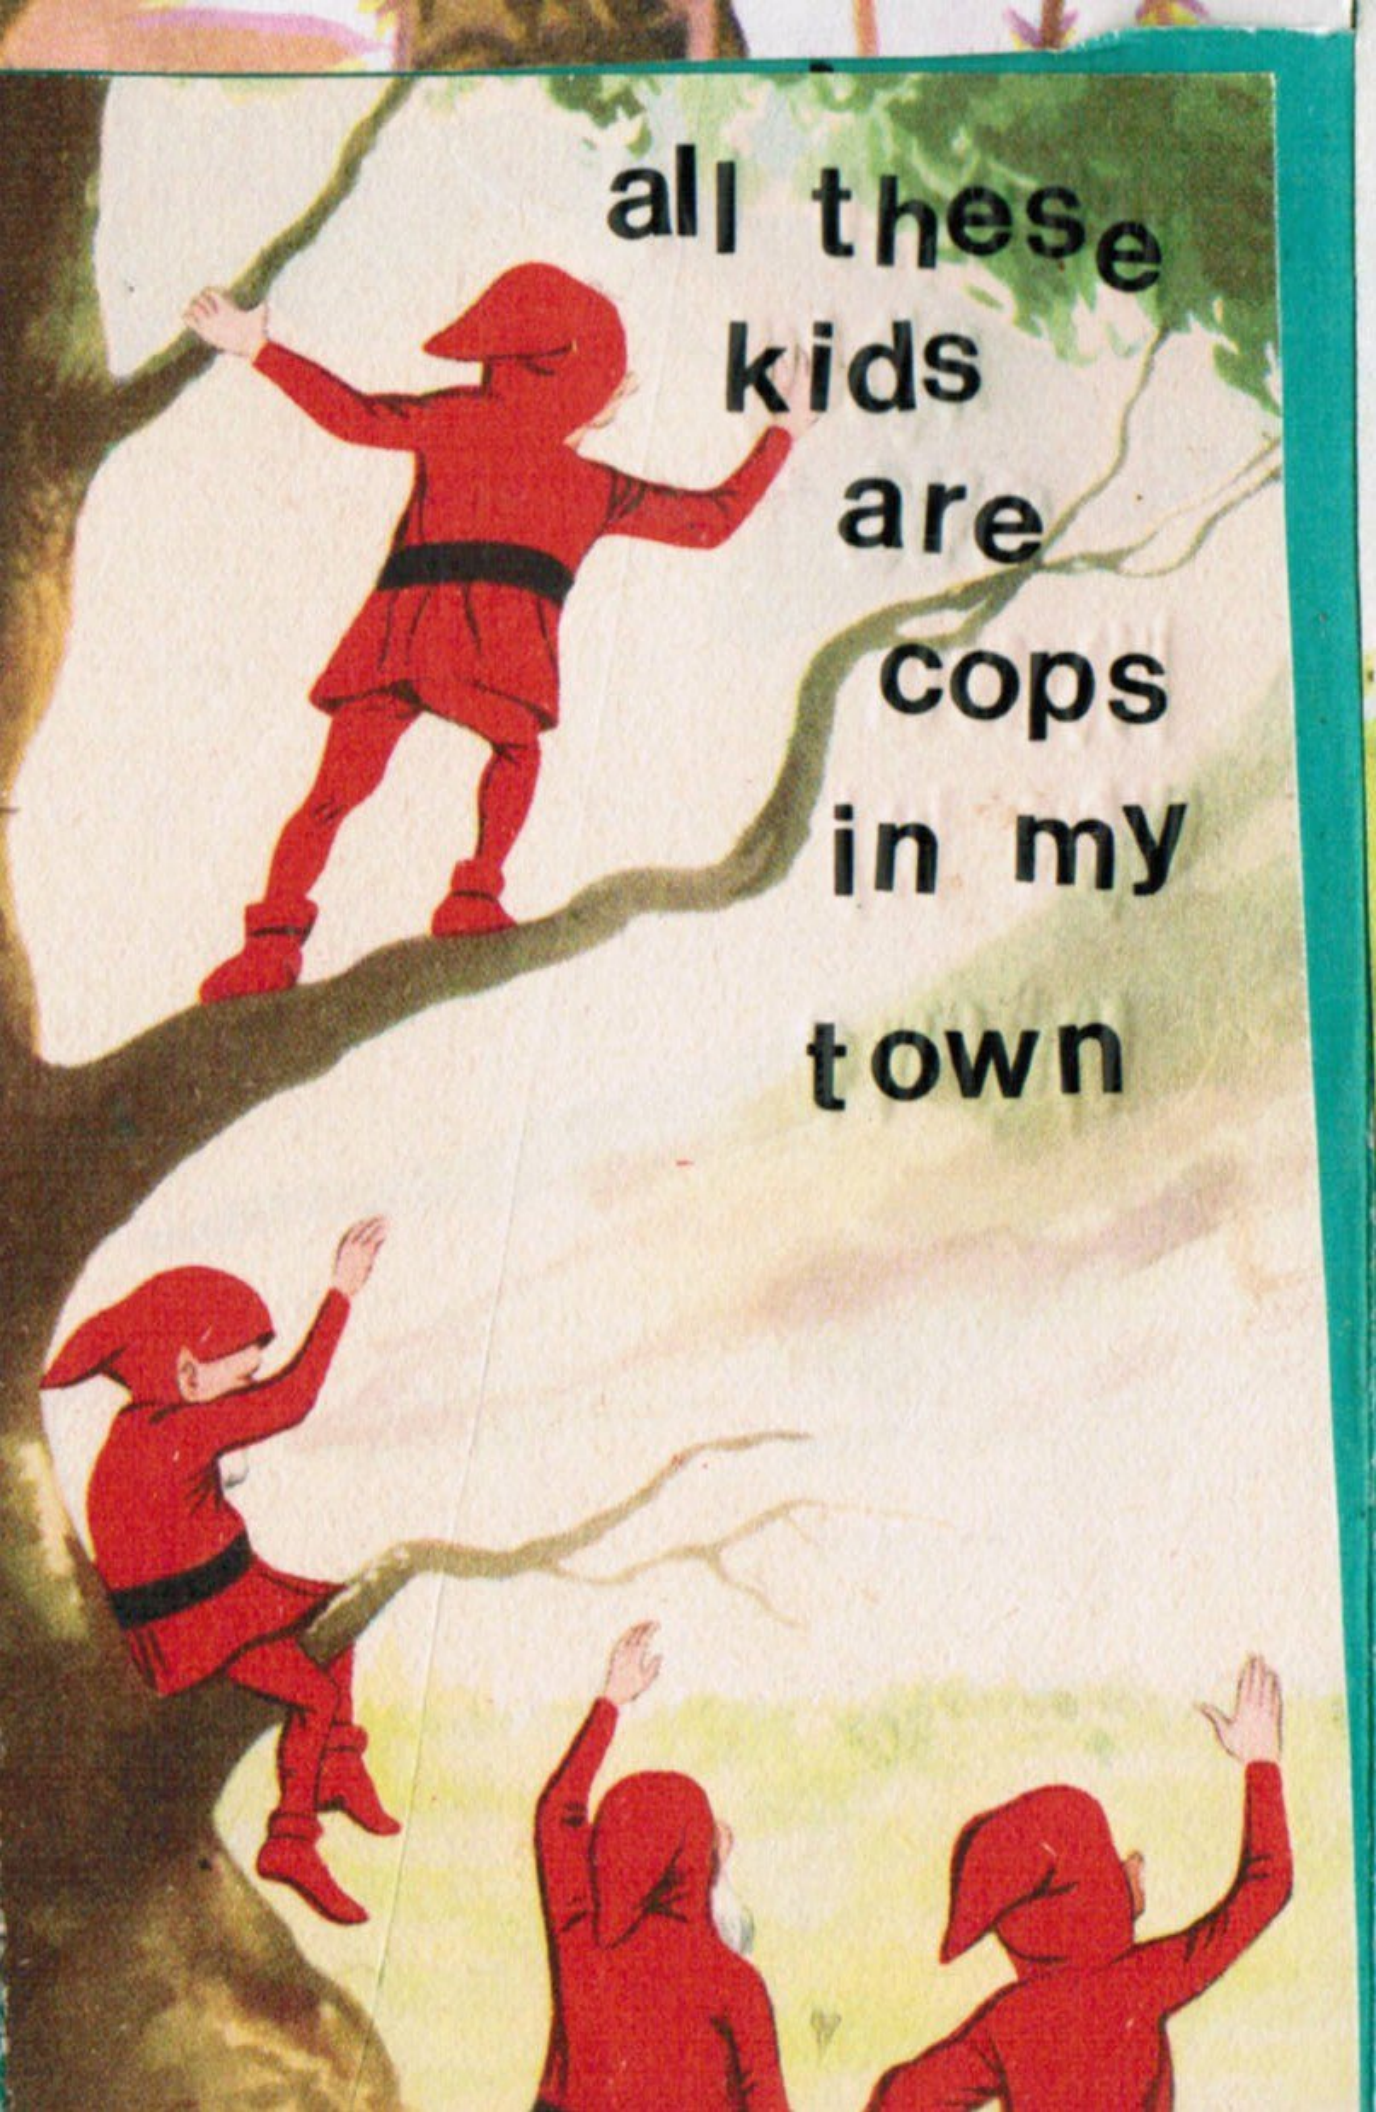
YOU
OWN
EVERY
THING

thats why
theres
nothing
new

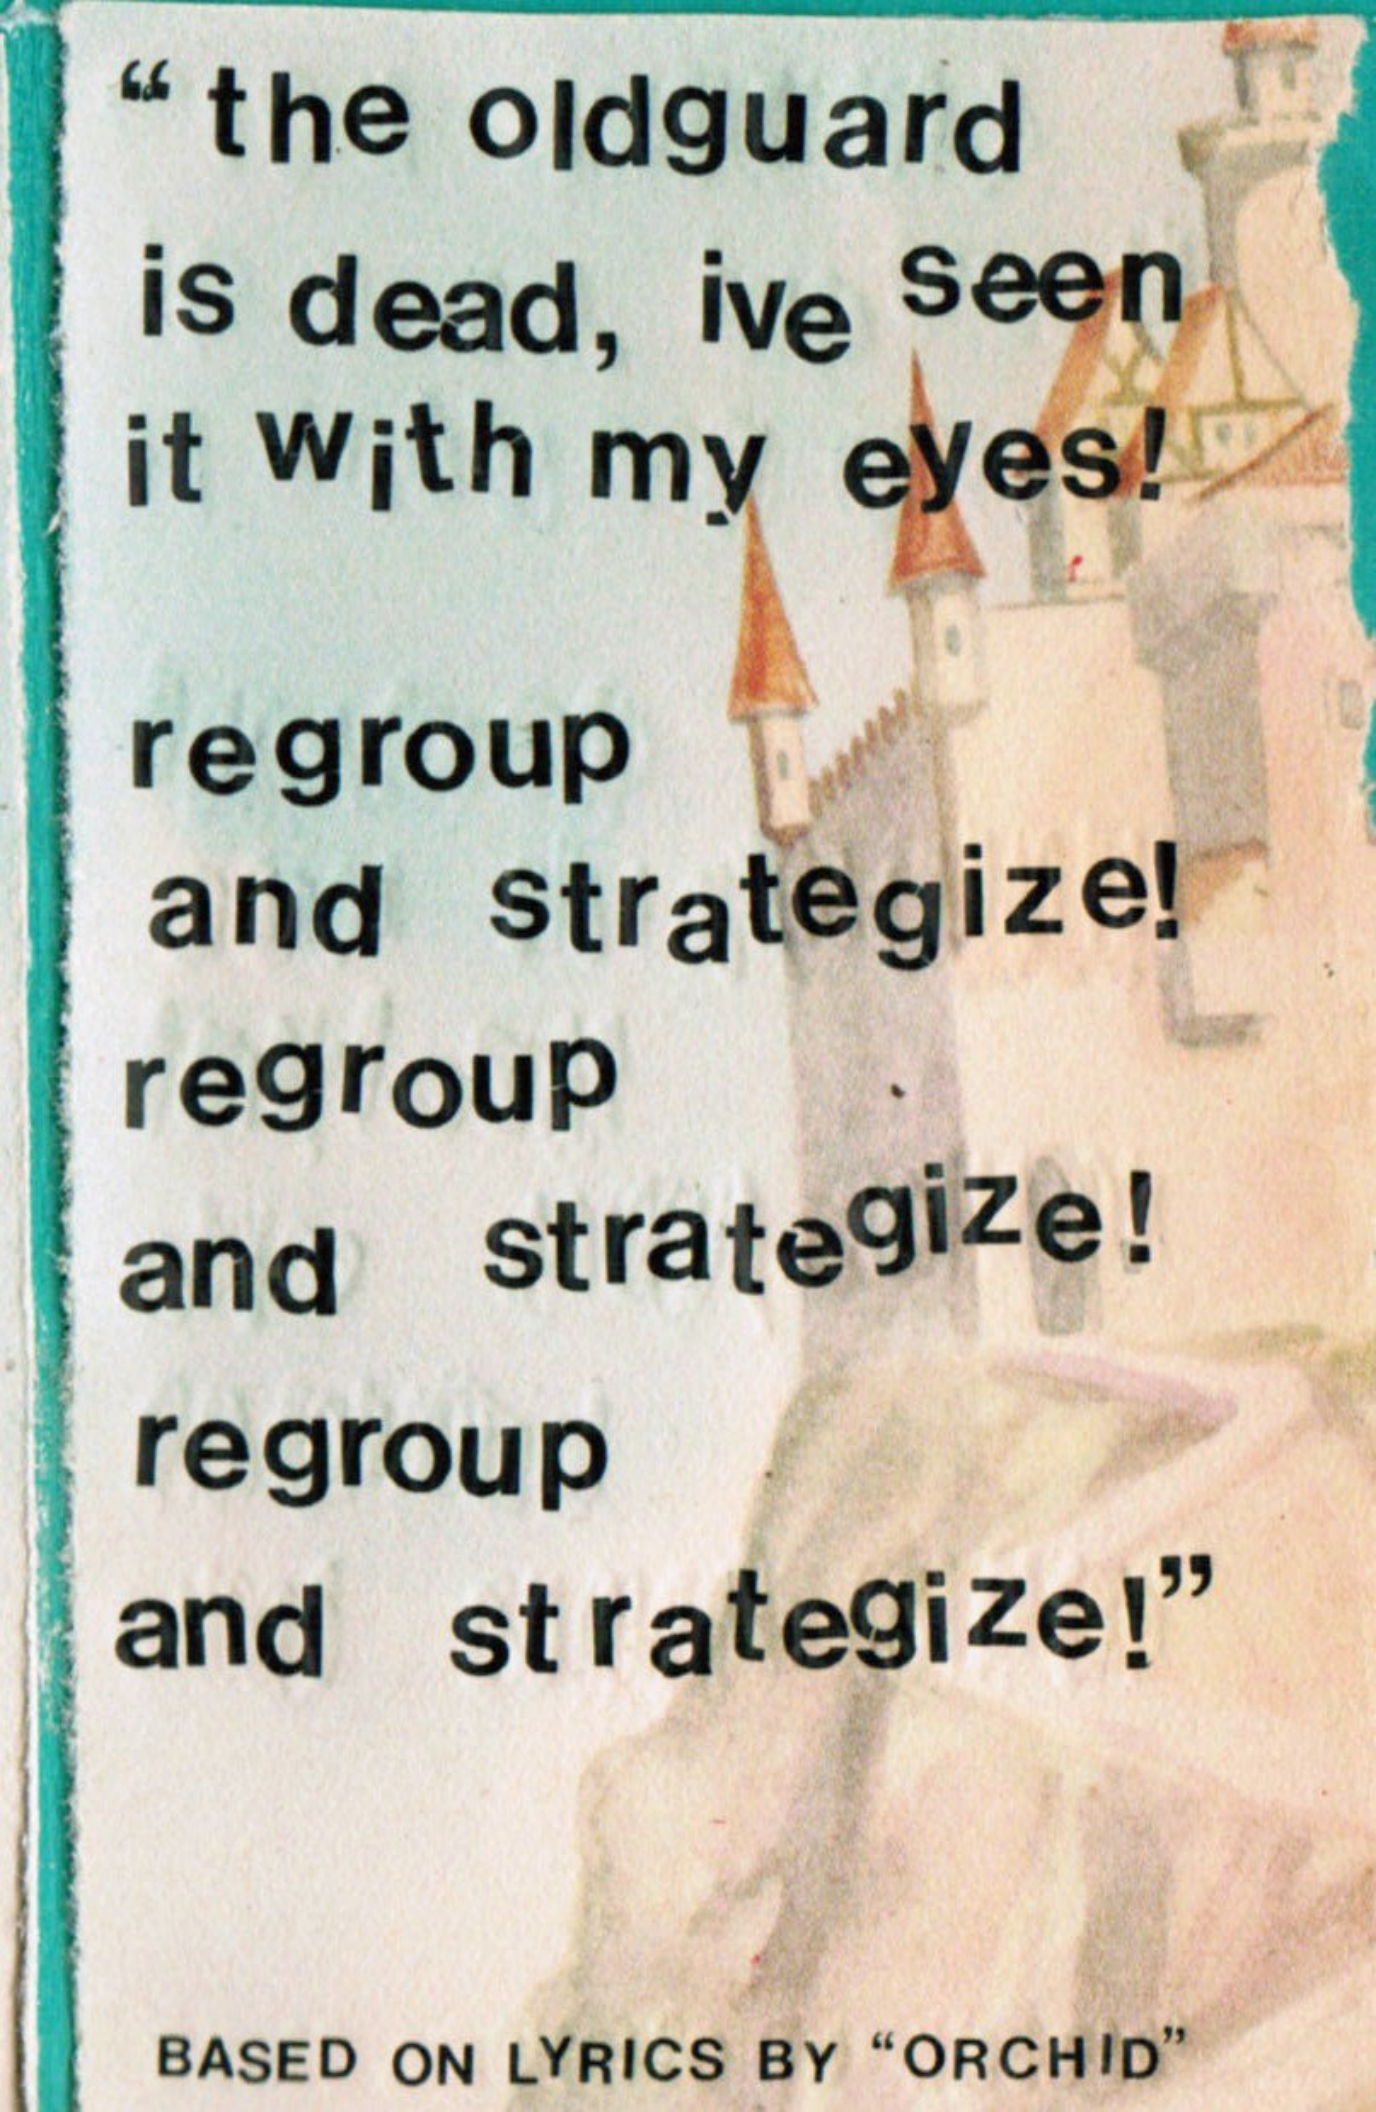
ive
seen
the
oldguard
running
around
running
us
down



all these
kids
are
cops
in my
town

this is the face of
the change
face of the one
face of the framed
all in all

you all
sound the same,
calling out:



"the oldguard
is dead, ive seen
it with my eyes!
regroup
and strategize!
regroup
and strategize!
regroup
and strategize!"
